W. G. Jackson, Esq.,

Secretary, Canadian Club,

Simcoe, Ont.

Dear Mr. Jackson:

I have to thank you for the honour of asking me to address the inaugural meeting of the Canadian Club of Simcoe on Thursday, January 30th, but regret that my engagements are such for the next few weeks that I cannot at present venture to make any new appointment. We are undertaking work for the establishment of a memorial for our soldiers and I must hold myself free in connection with it. I shall be glad however to go for you at some future time.

Yours sincerely,

President.

Professor W. T. Jackman,

Havre, Montana.

Dear Professor Jackman:

In the absence of Sir Robert Falconer I beg to acknowledge the receipt of your letter recommending Mr. Cowan for the unallotted fellowship. When the fellowship is awarded your letter will be placed before the Committee for consideration.

I do not expect the President back until October. He is at present in France and expected also to visit Italy with Colonel Mitchell.

Yours very truly,

President's Secretary.

October 11th, 1918.

C. E. Jamieson Esq.,
243 London Street
Peterborough Ont.

Dear Sir:

I am forwarding your letter with the account of your qualifications to President Tory at #31 Bedford Square, London, W. C., England, who will doubtless correspond with you immediately.

I think that it is quite improbable that he will be able to make many appointments of civilians on salary.

Yours sincerely,

President.

October 2nd, 1918

T. D. Jarvis, Esq.,
International Nickel Company of Canada,
Copper Cliff, Ont.

Dear Mr. Jarvis:

I am directed by President Falconer to acknowledge the receipt of your letter and to say that it is being given to the Secretary of the Graduate Board, who will write you after it has been brought before the Graduate Board.

I am sending you a copy of the Graduate Calendar.

Yours very truly,

President's Secretary.

October 9th, 1918.

His Honour, Judge J. L. Jennison

New Glasgow N. S.

My dear Judge:

I have just received your letter. I had not heard of your brother's death and I extend to you my deep sympathy. At such a time as this when everyone is suffering perhaps the individual suffering stands out less prominently than it would at other times.

With regard to your son, I have made inquiries from the Registrar and find that a student can remain out until the beginning of November and still save his Year, but there is a fine of $1.00 a day for every day other than Sunday after the 3rd of October. This is a statutory regulation and it is not in our power to modify it in individual circumstances. I hope that your son will be able to return soon and that he will have a successful winter.

With kind regards and in haste, I am

Yours sincerely,

President.

Miss Belle P. Johnson,
Camden School,
316 East 22nd Street,
New York City.

Dear Miss Johnson:

Miss Carson gave a course of lectures in the Social Service Department at the University of Toronto a few years ago, during, I think, three sessions. I always heard her spoken of very favourably. She is a woman of strong character and I should think would be very effective as an instructor.

Yours sincerely,

President.

Main Johnson, Esq.,

Toronto Daily Star.

Dear Sir:

I am handing your letter to Mr. Langton of the Library and asking him to give you the privileges of the Reading-Room.

Yours sincerely,

President.

Athens, Ont.

Dear Sir:

Perhaps on this sheet I can explain as you can note the above. Mr. Lamb knows this place and its past much better than I do-who have lived here a shorter time. My brother the late Dr. T. Wesley Mills, Professor of McGill Univ.) was an M. A., of Toronto University.

In 1877 I applied to the Senate of Toronto Univ., to be allowed to write in Convocation Hall, no female had previously done so, on Junior Matriculation work. This privilege was granted and I was the first lady to matriculate, July 1877. Next year Miss Alice Cummings of Hamilton matriculated and won a scholarship. My name was Margaret A. Mills, and I was from the Collegiate Institute in Hamilton, then my home. This you will find on your records with my standing. I then entered upon preparation for the teaching profession, entered the Normal School, Toronto, and as a fully qualified, First Class Certificate, teacher, I held positions at Guelph and later 1884 I went to the Prov. Model School, in Ottawa, where I taught until 1895 when I married and came here.

You will note that I did not continue the course in Toronto Univ., which I opened up for the many ladies who have since graced and honored its college halls. My father's death prevented a continuation of my college course and necessity compelled me to teach.

I sent two sons to the war, one an undergraduate of Queen's Univ. was killed last May while flying. The other, younger, was a dental student at Toronto when he enlisted in Jan. 1918 and he has been an aviator also and awaiting demobilization now to return to Canada. His

name is Douglas B. Johnston. This place (Athens) is small but has a good High School with some lady teachers who are graduates of Universities. I do not feel that I am the one to try to organize here as I never graduated from Toronto.

Yours truly,

(Sgd) Margaret A. Johnston.

Dear Mr. Jones:

This has been such a busy week that I have not had time to read your letter enclosing the historical account of your class. I have it beside me and I am going to read it through with care, perhaps to-morrow. I see that there is a great deal of interest in your biographical notices. I remember quite a number of these men being at the dinner a few years ago when I had the privilege of being with you. I think it was on your twenty-fifth anniversary.

With kind regards, I am,

Yours sincerely,

President.

December 30th, 1916

Rev. J. Phillips Jones, B.A.,
114 Bannerman Avenue,
Winnipeg, Man.

Dear Mr. Jones:

I have received the petition which you forwarded to me at the request of Rev. Dr. Bryce on behalf of conferring the honorary degree of Doctor of Music on Mr. Rhys Thomas. I will lay the petition before the Committee on Honorary Degrees at its next meeting, when I am sure it will have careful consideration. Will you be kind enough to let Mr. Bryce know the action that we will take ?

I am,

Yours sincerely,

President.
